

THE DAILY WATCH

The DP students have participated in some major activities and events during the last month of the academic year—June 2025. Let's dive deeper to see what happened during this month full of events!

Semester Two Examination

The Diploma Programme students have recently completed their Semester 2 exams, marking an important checkpoint in their first-year IB journey. Covering all subjects, the exams tested students' understanding, critical thinking, and preparation under pressure. Despite the challenges, students showed strong commitment and resilience throughout the exam period. As results are reviewed and feedback shared, the DP cohort now looks ahead to their well-deserved summer break and finishing other components of their IB curriculum, such as their Internal Assessments and Extended Essay.

Determination in every answer: exam day dedication on display

Students are totally focused during their examinations

Teachers' Appreciation Day

On the 3rd of June, we took time to celebrate their incredible contributions during our Annual Teacher Appreciation Day.

Organized by the school administration, this special event was a heartfelt way to recognize the hard work, passion, and dedication of our teachers. The school arranged personalized gifts for every educator who brings expertise, patience, and commitment to their classrooms, shaping not just academic outcomes but character and futures. AusIS remains grateful for educators who consistently go beyond textbooks and adapt to evolving challenges, who spark curiosity, and who measure success in lightbulb moments as much as test scores. Their professional rigor and quiet perseverance make quality education possible.

While no single day can capture the full scope of their contribution, Teacher Appreciation serves as an important reminder to acknowledge this vital work.

DP Graduation Ceremony

The DP Batch of 2025 has officially graduated, leaving behind a legacy of resilience, leadership, and inspiration. Throughout their two-year journey, they conquered the core values of the IB, gaining skills like inquiry, integrity, and international-mindedness. Whether through academic excellence, creative CAS projects, or their consistent support for the school community, they demonstrated what it truly means to be principled learners and compassionate individuals.

As they now step into the next phase of their lives, we celebrate their achievements and the strength they showed in overcoming challenges. Their presence has set a high standard for all DP students who follow. We wish them success in all their future endeavors and thank them for shaping the spirit of our school. The torch has been passed, and now we rise to continue what they began for the upcoming batches.

Annual Award Ceremony

The much-anticipated Annual Award Ceremony was a heartfelt celebration of dedication, perseverance, and academic brilliance across both the MYP and DP communities. Held with pride and joy, the event recognized outstanding students who demonstrated exceptional performance and commitment throughout the academic year. This year, several IBDP students were honored for their remarkable achievements in various disciplines.

🏆 **Language and Literature Award**
Ayadul Haque Sufiyani

🏆 **Language Acquisition Award**
Deena Farzana Alam

🏆 **Individuals and Societies Award**
Syed Ahnaaf Kader

🏆 **Sciences Award**
Md Ahnaf Hossain Saad

Three-way Conference

The recent IBDP Three-Way Conference served as a valuable platform for open dialogue between students, parents, and teachers. During the meeting, academic progress, subject-specific strengths, and areas for improvement were discussed in depth. Students reflected on their learning journey, shared their goals, and outlined action plans for the upcoming academic year. Teachers provided constructive feedback and strategies to enhance performance, while parents offered support and encouragement. The conference emphasized the importance of time management, academic integrity, and maintaining a balanced approach to the rigorous IB curriculum. Overall, the session strengthened communication among all stakeholders and reinforced a shared commitment to student success, growth, and well-being as students continue navigating their IBDP journey.

Old Principal's Farewell and New Principal's Reception

This term we bid our principal, ASM Mustafa Kamal Khan, goodbye as he takes up a newer journey. For the principal's farewell, all teachers gathered for his farewell and dedicated some time to say goodbye to him. Mr. Mustafa Kamal also announced his leave to all the students during an assembly before the final exam started, as that was the last assembly of the year.

Now we welcome our new principal, Ms. Fahmida Chowdhury. She enters the school to bring a new light into the environment of our school. She had a reception on her first day. She met most of the students at the entrance with a bright smile and spoke to them on the first day. She met DPI students after the exam of the day and spoke to us about the changes that she would like to make to the school for the betterment of the students. She also met all the teachers in her office, where they welcomed her arrival.
